Fast & Furious 6. 2013 | g | 2h 10m | Action & Adventure. Street racer Dominic Toretto and his crew once again use their insane driving skills for a major heist... This time they need to make their way through the Los Angeles International Airport. "Fast & Furious" is the title of the American version of Brian de Palma's famous film, which was released in 1984. The original film was made on a \$30 million budget. The film was a huge success at the box office, earning over \$100 million. And this is during the first half of the year. Since then, the film has been released in two versions: American and Japanese.
