Derleyici nerede? Opened by Ä°viç Topcu (wolfzfish). 41 views. Ä°viç Topcu (wolfzfish) - 2Ä°zen, 1bölüm 'Sneaky' Joanna Newsom has become one of the high priests of the New Puritans – the suddenly ubiquitous, anti-pop movement whose purification and salvation seems to be creeping into our culture from all sides. (This essay, which examines the roots of the New Puritans, their cult-like movement and my obsession with them, is adapted from my forthcoming book on Newsom, *The Dark Lady of the Sonnets*.) I've been obsessed with Newsom for years. It's hard to say why, because it's not like she's the hot new experimental singer to whom I first turned; I first heard her album *Harpoonist & Spider-treader*, released in 2004, when I was at a record fair and it was played at a small, round-faced table where I sat. She sounded like a more adult version of the Cure, with a touch of Kate Bush. More than anything, it was the title track that caught me – a bleak, beautiful song about the pain of sickness and its effect on one's relationships with others – that over time I came to think of as 'the benchmark Newsom song'. The melancholic sadness of it, the long, tremulous guitar solo that brings the song to its gorgeous end, the wispy hushed vocals: they have rung out in my head like a call whenever I was feeling low or felt myself shifting into an unwanted relationship with someone who just wasn't right for me. And yet it wasn't until 2007, when I was writing a novel about a girl named Daisy who was sick with cancer, that I discovered exactly what it was about Newsom and *Harpoonist & Spider-treader* that was so appealing. 'Harpoonist & Spider-treader was the album I grew up with 3e33713323
